Write the quantity desired (minimum of 5) to the right of the button size and return this form with your order. Except for 'new' buttons these are reproductions made from an impression taken of the original button. *New* buttons were created from photographs or descriptions of a button and may not be correct in every detail, or they may be made from a button whose provenance is unknown to me. * next to the button size means this button design was used by Officers and Rank & File. If you want a gold or silver plated button, write G or S after the order quantity.
